American Merchandise Liquidators, Inc. is a solid bricks-and-mortar, ten-year plus company, contracted and trusted nationwide to move \$millions in distressed merchandise. We specialize in general consumer liquidation merchandise i.e., hard goods, furniture, clothing and accessories. We buy in large quantity and offer smaller quantities to our customers. We ship FOB our warehouse as well as from other direct FOB points. We have a freight department to handle your shipping at the some of the lowest rates. We fill containers for export and import.

Offering excellent customer service and helping our customers to be successful with purchases from our company. We build relationships to increase repeat sales. We do not retail - our customers get all the wholesale and retail profit, just as they should. We wrote the original book "Liquidation 101," which was responsible for many business start-ups that affected this industry.
