Subject: Thanks!

Thank you  
so much for your help in making my business a success from the  
pallets that you pick and send me. I am a flea market and yard sale vendor  
that was not aware of the opportunities that liquidators could provide until  
a few months ago. I researched your website and read the testimonies and it  
was hard to believe what was being said, but after contacting you and  
receiving some merchandise, I love the products and my customers do too!  
They can't believe that they're getting new items at a yard sale. The  
electronic pallets that I ordered sold so fast that people were asking  
"when

would we have some more". I also want to thank Lynn for the clothes, they

too were a big hit! I am a retired customer service rep. and appreciate your professionalism.

Comments: I  
wanna brag on one of your sales people, TINA!!! She was so pleasant to deal with, and as a woman of her word, the product delivered was way above our expectations. As a business man I know how often you hear about it when things go bad, well I feel it is equally important to give praise were praise is due.

I did a lot  
of research before I decided on AML, and it is nice to know that such an investment risk was not a nightmare finish. Tina YOU ROCK!!! Thank you for caring enough about us to not tell us lies just to get a sale. Your honesty and integrity have been noted. May other people read this and KNOW that AML keeps their word and delivers an superior product in this market. My load was not cherry picked, and out of 500 pieces on 3 had damage, and only ONE that was not repairable.

We are now loyal clients of AML and will be purchasing many more loads from you. Thank you for giving us an edge.

Peggy -

Received the order and to say that I am delighted would be an understatement. I'm so excited. This process has been a breeze and I have you to thank for that. Thank you for keeping us informed on all the steps. We will keep in touch and hopefully get another pretty soon.

Thank You,

Travis and Leigh Ann

Hi Ginger,

We bought the truckload from you guys about a month ago and I just wanted to let you know that the items and the price that we can sell things is making a big hit with our customers! We should have done this a long time ago.

Rodney went into panic mode when the truck company called and said that the truck would

be in three days after we sent the wire, but even that went smoothly.

There are many, many items that have to be put together since its a mail order place but we are only putting together one of each item and then selling in the box. At these prices folks don't seem to mind, too much.

I know Rodney told you to keep us in mind for domestics. Please do, It would be a good compliment to the truckload.

Just wanted to let you know that we did fine unloading the 22 pallets and that for the most part, the items are in good shape. Thanks!

Anne and  
Rodney

Hi Tammy,

I just wanted to thank you for all the effort and extra work that you've done for me. My little business is now growing and much of it is due to you and Lynn! My customers are all thrilled and I wanted you to know how much I appreciate that.

From what Lynn says you are a very sweet and special person and I can certainly tell she's right. Next time I visit I'm taking you BOTH out for a great lunch!!!

Thanks again for everything,

Toni

Hi Ginger,

I have been so busy I forgot to say thank you for doing such a good job at getting me some good shoes. Thank you for going out of your way for me. I like the shoes. I will let you know as soon as I need more. I hope all is going well for you. I hope you will get me a good variety next time too.

Donald

Lynn,

I talked to you today over the phone. I really appreciate that you took the time to tell me a few things about the business when I didn't really know much about it. There are people who already know what they are doing, and people who haven't got a clue where to begin or who to trust. People do not want to part with their money in this time of economic crisis, but people like you make others feel more comfortable about taking the chance. I have been searching the net for months now, and now I don't feel like I am throwing a dart at a board to make a choice on who to gamble with. So once again I thank you for your time and patience with me. And I will be investing with your company soon. Jessica

Dear Gerald  
Hughes,

I have wanted to start a small business for a while now and have been quite skeptical about purchasing large quantities of items from wholesalers or liquidators. I was worried that the items would be different from what was described and I was worried that I would loose money to a dishonest company.

Through a lot of research I came upon your company. I had called one evening and left a message stating my interest and what information I needed. The very next day I received a call from Peggy Hagan. Peggy was very patient and answered all the questions that I had about your products and prices. I felt very comfortable about your company because of Peggy's professionalism and her eagerness to help me. Peggy was familiar with the product that I was purchasing and offered me excellent advice.

Because of Peggy's excellent communication and her admirable character, I made a purchase with your company on 02/03/04. Peggy kept in touch with me through the purchase and let me know when it was shipped. Peggy was very pleasant to work with and because of this, I will be a long lasting customer of your company.

I feel that Peggy is an asset to your company and commend you for having hired such a great person.

Sincerely,

Randa

Dear Ginger,

Thanks so much for all your help. Please keep us posted on new pallets you have and their contents.

It's a good feeling to know you're their for us and this was such an easy transaction. We look forward to receiving the merchandise.

Sincerely,

Scott & Suzanne

Lynn,

Happy Holidays to you and everyone at AML.

We have enjoyed our business relationship and the personal relationship that we have developed over the last year.

It seems hard to believe that it was only a tear ago when we came there to "check you out". We hope that the growth that you have facilitated for us this year will seam minor to the changes the new year will bring to us.

Have a Safe and Happy Holiday!

Bill and Christa

Hi Lynn,

I received the items and I am very happy with the shipment. I'll be

looking for more items next week so please let me know if you have any available.

Thanks so much, Jim

Hi Mike,

Sorry I didn't email you sooner. We've been busy, we had to make extra shelves. We had a problem this weekend, we couldn't keep the shelves stocked enough, good problem! We are so excited about this, it's great!! Thank you for inviting us to the warehouse. I've been looking for a year for a good company. Some of the other closeout companies I've spoke with are not willing to help, no one has ever invited us check them out before! I've even been hung up on trying to get information from other companies.

Thanks, KP

To the  
management of American Merchandise Liquidators:

I want to write and tell you how much I appreciate what Lynn has done for me and my business. In December of 2001 my wife and I decided that we would start a liquidation business. Needless to say we did not have a clue what we were getting into, so we obtained a copy of a closeout magazine and started making phone calls. After making phone calls and sending out emails for almost a week, I finally reached a friendly and understanding voice at AML. Lynn took the time to explain to me about the liquidation business and what the terms meant when talking about ordering items. Lynn was understanding and patient with me, and that meant a lot to me. I told myself that it was just the sales person talking but I soon learned that I was very wrong. After talking with Lynn on several occasions and even driving to Foley to meet her. I realize

that she is a good and honest person first and that in turn makes her a very good sales person. Lynn could have just dumped merchandise on us at the beginning and not worried about us coming back. Yes believe it or not, there are some liquidators that think that way. Lynn was and continues to be very concerned about what we received and wanted to make sure that we were happy with our product. That mentality will keep me coming back to her and AML.

In closing, once again I want to say thank you to Lynn for all her help and encouragement.

Sincerely,

RT

Dear  
Gerald,

I just wanted to drop you an e-mail to let you know how pleased I have been with the products and service that I have received from your company. It is a pleasure doing business with professional, dependable and honest sales reps such as Ginger. My sales have doubled since I have been ordering from your company. Ginger has also encouraged me to try new categories that have been great profit makers. The quality of the products I am sent from your company has truly set me apart from others in the area. For all your great customer service I thank you!

BD

Ginger,

Thank you so much. You did an excellent job for us. If we can keep getting loads like this one we won't be shopping anywhere else!! Thursday night when I got home to see the load I was very much amazed! To be honest your 2 pallets had more on them than the 5 we bought from the other place!!! This definitely boosted our confidence! We will be on vacation from the 24th to Jan. 4th, so will be ordering another load when we return. So keep us in mind! Thanks for your help, you've been a lifesaver!

And merry Christmas to you and yours!

Happy Holidays, TF

Hello Bill

Thought I would let you know, I received my 1st order a couple of days ago and just had a chance to look through it. I am VERY pleased with the merchandise you sent. Thank you so much for your attention to my needs. It is greatly appreciated.

Please be on the lookout for another Plus Size deal as I will be ready to order again in a couple of weeks.

Diana

Phillip

The \_\_\_ load was waiting for me Thursday morning as promised. Looks as Anthony did an excellent job loading. We are happy with the load as it appears to be well mixed. Sold a table and chairs as I was putting them together. Thanks for the help. A pleasure to do business with you as always.

Thanks,

Wayne

Hi Lynn!

Thank you so much for your personal assistance in fulfilling our product needs to keep our clothing business booming!! You are totally awesome girl!! We explained what we retail and I couldn't have done better myself at choosing products to sell and prosper with. Gary and I will definitely be keepin' in touch! You are our #1 supplier! I feel like you Lynn are our personal buyer for our business. We look forward to hearing from you as more comes in!! Thanks a million! We love you!! JC

I have been a customer of American Merchandise Company for a year. I have been tremendously impressed with the quality of the merchandise and the quality of the people who work there. I have never asked them for anything they did not try to help me with. Corrine goes out of her way to please me when shipping my lots. She has developed a knowledge of what my customers want and she always tries to make sure I have a percentage of those items in my shipments. I know my relationship with AML will be a long and trusting one. At first, I wanted to be able to see my shipments before I sent my check, but now I realize all I have to do is send my check and Corrine and her staff will send a shipment that is even nicer than I expect. I am completely satisfied with the service I get with AML.

Joyce.

Tina

Dear  
Friend.

Thank you for all of your help in this last year. Starting a new business is scary, but with all of your help and your suggestions I did just fine and expect to keep doing better. I am glad I got to know you and that I can count on you to help me in my business.

Thanks for everything!

Sincerely. RB, IA

Lynn,

I just researched some of your products on and off Ebay. Those 4x, 5X and, 6X really appear to be good sellers. Some of the sweaters we got from you yesterday are selling off of E-bay for \$150.00, hope they do good on e-bay. Wanted to thank you again for the personal tour and the excellent service and tell Tammy thanks for the excellent mix. Hope to be back again soon,

Don and Becky

Ginger,

The pallets look real good. I have not been through everything as of yet, but what I have seen is great. I have rented a booth at a flea market that is open 7 days a week, and they collect the money, as well as remit the sales taxes. I also seem to have established some loyal yard sale customers. It seems that if I go outside of the house someone wants to know when the next sale will be. Most of my customers are apartment dwellers and they really like the pots and pans, curtains, dishes, etc. However, the toys are going fast at the flea market. A little girl, whose mother works at the flea market, runs to my booth every time I come in to restock, to see what new toys I am bringing in. So thanks a lot, and I hope to need about 3 pallets a month. Will have to wait and see.

Teresa

Hi there Peggy,

Just wanted to drop you a line and let you know I received the clothing and it's great stuff!!! I was very happy with my order and especially with my salesperson!! Thanks so much!

Charmaine

Dear Mike:

Thank you so much for being so helpful to me. The pallets I received were even MORE than I expected them to be. The merchandise was in very good shape and it is so beautiful I want to keep most of it for myself. Thank you once again for helping me and I will be calling you very soon to place another order.

Debbie

AML is a great company. They have a great asset that the competition doesn't have her name is Tina. She is a warm sincere and thoughtful person. She always greets you with a smile and always tries to accommodate your needs. But she goes above and beyond the call of duty, she always calls and checks-up on her consumers. We appreciate Tina and her spirit of caring very much. Bless you Tina and thank you! You've shown that making a difference is as simple as sharing your thoughtfulness with others. May you be blessed by the lord who made heaven and earth Psalms: 115:15

Linda and Lori

The merchandise I have gotten from AML has been great!! I have been pleasantly surprised with both the quality and sales potential of the merchandise in my first two purchases.

I have shopped around at various competitors and have found all of their merchandise to be inferior in quality and more costly than AML.

Ginger has provided much assistance and is extremely pleasant and professional to deal with. Thank you very much!!! I look forward to future purchases!!!!

Elizabeth

Dear Janet,

I just wanted to write and apologize for not buying my last load from AML. The first two shipments you sent were awesome and were everything you said they would be. (and more) I had a blast talking with you on the phone and was impressed that you always did what you said you would do. We were so happy with the HBA product you sent that we had decided to take a whole truckload from you.

But then...I received an e-mail...warning me NOT to pay up to \$22,000.00 for the same HBA when I could get it for only \$16,200.00. (they now have lowered their price to \$14,700.00). I called and sure enough I was told it was the exact same product. I ordered the truckload. It took nearly two weeks to get it and when we unloaded it we wanted to sit down and cry. It was so obvious that the quality was inferior to what AML had sent us. I hate to say it, but there were mice in some of the boxes and some of the product dated back to the mid 1990's. How sad. We opened some of the boxes and found nothing but candy wrappers and other trash that had been swept up, put in a box, taped shut and thrown on the pallet to be shipped. There were MANY calendars and date books that had to be thrown away as the dates were 1994-95-96 etc. The candy and cookies and other food product was old, melted and stale. We expected a little waste, but not to this extent. I can't tell you how many boxes we have taken straight to the dumpster.

Needless to say, I am back to AML to stay. The merchandise is top QUALITY and above that...you deal with me ethically. We have decided that we can't stay in business and provide for our families unless we deal with a company that has high standards and most importantly ETHICS.

I know this is a long letter...but I had to get this off my chest.

Thanks Janet and AML for your honesty and integrity.

God Bless You All

I am pleased to tell you that I have just given your name to a friend of mine in El Salvador who is interested in getting involved in the selling of clothing. Hopefully he will be in touch with you soon.

I would like to take this opportunity to express to you my sincere appreciation for the years of service you company has provided to our organization. AML, Inc. is the only company in the U.S. that I deal with on a consistent basis without fear of receiving misleading information about the products you have for sale. I have a strict policy about buying goods over the Internet and over the phone. If I cannot see it in person then I generally will not buy it. Thank God I do not have to use this policy when dealing with AML. You have proven you high ethical standards time and time again by your willingness to correct any problems that have arisen in the past.

In my opinion Phillip is one of your greatest assets. He always returns my calls promptly and conducts business in a professional manner. Any business is only as good as its employees and Phillip certainly adds greatly to the reputation of AML.

In 1999 we had a good year and we feel confident that the same will be true for the year 2000. Thank you for the part you have played in our success.

Sincerely,

Cam TX

Corrine,

I wanted to let you know how happy I am with my first two purchases from AML. The quality exceeded my expectations. Thank you as well for all of the personalized service. Feel free to use me as a recommendation. I look forward to a very profitable relationship.

Best Regards,

Meg NC

Janet,

Thank you for the opportunity to tell you, and AML, what we feel. We really did not have to think very hard at all! Hope this is ok, if it is not, at least it is true!

We have been dealing with American Merchandise Liquidators, Inc. for about 5 months now, and have been in business for about the same length of time. Janet has been fantastic! She is honest, has a great sense of humor, and is totally reliable. Her advice is great. She takes into consideration the size and location, and the budget of our store. Her responses to us, and our many questions, have always been dealt with promptly and satisfactorily. We have never felt rushed when dealing with her, rather, she has made sure that we have all our questions answered and that we are totally satisfied with any load ordered. She spends all the time we need with us. We know that her goal is to make sure that we are totally happy with any purchase we make. We have always received a follow-up call after delivery, which is greatly appreciated. In short, we know that Janet, and American Merchandise Liquidators, Inc., really do care about our company, and we believe that we will have a long-term relationship with them.

Thank you, AML Inc!

I would

like to say thanks and let you know the wonderful job that Ginger has done in assisting me. She has been very patient, understanding, quick to respond to any questions that I have and has worked as my eyes in your warehouse. Ginger is truly an asset and will be one of the main reasons that I will be doing business with AML.

Thank you for your time!

Hi PEGGY,

THANK YOU FOR THE LOVELY GARMENT YOU SENT... I JUST LOVE THEM AND I THINK THEY WILL BE A HIT ON EBAY... I WILL BE A RETURN CUSTOMER...

THANKS AGAIN

SYLVIA (sorry had to use caps to show how happy and excited I am)

Over the past two years I have had the opportunity to develop a wonderful business relationship with Pete. He has been extremely helpful by calling me to let me know of any great deals that might benefit my store, as well as steering me away from anything that would not work for me. With all of the people out there who are only interested in making a Quick Buck, it's nice to be able to deal with someone who actually cares about having a repeat customer!

Rhonda MS

always give us excellent service. If there is a problem they correct it as well as possible. It's like Christmas when we get a load from them! Profitable too. We always give them our business. We sell middle to upper end furniture and accessories and the loads fit in nicely with our other merchandise.

Dennis and Jackie MO

Corrine,

The shoes came in on Tuesday after you called about 5:30PM and to me they are very nice.

Thank you for being so kind to me,

Corrine,

I visited with you and PC in early September when I was on vacation in Gulf Shores. The insight you provided was thought provoking and I was impressed with the line of merchandise you offered.

Thanks

Doug

Ginger,

Fireplace screens arrived today! They are great! Arrived well packed and in excellent condition. Thanks look forward to a long and successful relationship with your company. THANKS for tolerating a "newbie".

Corrine,

I just wanted to take a few minutes to commend you on your outstanding customer service and professional attitude. As competitive as this business can be, its refreshing to see a company and its employees shine, as you folks do. From execution to finish, you guys always seem to be ahead of the game. Where else can I place a 600 count order and have it delivered to my door in 3 business days??? No where, that's the answer.

So, for all that you do, Id like to send a much deserved 'Thank you.' Your attitude and drive will continue to bring you success. Thanks again for an effortless transaction. I will continue to be back. You make this "fun."

Kindest Regards, DL

Janet works hard to get the merchandise I want. She is very pleasant and helpful to work with. American Merchandise Liquidators, Inc. should be very proud to have Janet on their staff.

Charles AR

I would like to thank Corrine for all of the personal attention. I am new to the industry and Corrine put tremendous effort in making sure that the items I ordered would suit my needs. She took

the time necessary to make me feel confident of my decision to work with AML.  
The items I received were excellent. A million thanks!

Tami KY

Good morning  
again Corrine! I just wanted to express my deepest appreciation for the time  
that you have spent working with me and educating me. You have been so easy  
to work with. I also commend AML for their willingness to work with small  
business owners. When I first started giving thought to a business, I  
investigated quite extensively possible sources for merchandise and many businesses  
would not even talk with me beyond the initial inquiries because I could not  
meet their minimum. Many times the minimum requirement would be 300 pieces at  
a cost ranging from 2,700-5,000. AML's minimum made it possible for me to get  
started and I am very grateful for their support of the Small Business Owner.

I wish you the best in the coming year and thanks again for being soooo  
terrific!

Sra. Nelly:

Después de saludarla, quiero darle las gracias por el profesionalismo que  
usted ha manejado nuestra relación comercial con AML; compañía que tan  
dignamente usted representa. Ese profesionalismo suyo se traduce en un trato  
honesto, rápido, cordial, disponible y confiado. Sólo ese profesionalismo  
suyo me persuadió a comprar sin conocerla a usted, en persona, ni a la  
compañía AML.

I want to thank you for your professionalism that you have shown during our commercial relationship with AML. A company that you represent so dignifying - your professionalism it's translated with honest, rapid, courteous, available and trust worthy. This professionalism persuaded me to buy your merchandise without knowing you or your company, AML.

Hi, I just wanted to take a few minutes to sing the praises of Corrine! I have made several clothing purchases through her from AML and am just getting ready to order my 4th. Corrine has been wonderful in helping me, she certainly goes the extra mile to make sure that I am pleased with my shipment. Her phone calls and emails are always friendly and professional.

Thanks so much!
